

# *Bakery, Confectionery, Tobacco Workers and Grain Millers International Union*

Dear Brothers and Sisters;

On behalf of our BCTGM Locals 167G (Unit 264, Unit 266 and Unit 326), 265G, 267G, 269G and 372G the committee for the distribution of donated monies would like to express our deep gratitude for the generosity. Mere words cannot convey how overwhelmed we are with the out pouring of support at this time. Just knowing that so many care about our plight and have stepped up to be there for us has bolstered the moral of our Brothers and Sisters throughout the Red River Valley, Southern Minnesota and Iowa.

Please know that we will definitely pay it forward when the time comes.

In Solidarity,
